Achievements

Profile and Friends

The application interface is designed for tracking personal achievements and connecting with friends. It features a dark header bar with a search icon and a menu icon. On the left, a sidebar contains navigation links: DASHBOARD, FUTURE LOG, MONTHLY LOG, and DAILY LOG. Below these are buttons for ACHIEVEMENTS and GROUPS. The GROUPS section lists categories like SCHOOL, WORK, HOME, TECH, and ART, each with a plus sign to add sub-items. The SCHOOL category is highlighted with an orange border and contains items CSCC01 and CSCC09. The HOME category contains an item CHORES. The TECH category contains an item COMPTER. The ART category is highlighted with a red border. The main content area is titled "DAILY ACHIEVEMENT" and shows a grid of achievement items, each represented by a grey circle and five horizontal lines. To the right, there is a "FRIENDS" section with a list of friends, each represented by a grey circle and five horizontal lines. The first friend's profile includes fields for Name and ID, and a "Account Settings" button. A green circular button with a plus sign is located at the bottom right.
